Invest \$500,000 in the US and Get a Green Card

The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI) jointly with Indo American Chamber of Commerce & Tempus Law Associates has organised an awareness program on 'How Indians can migrate to US on Permanent Residency', today at FTAPCCI Surana Auditorium, Red Hills, Hyderabad.

Mr. Harjit, Singh. Founder of Xurge Capital Partners, New York, USA was the key speaker at the occasion.

Addressing a Program on 'How Indians can migrate to US on Permanent Residency', Mr. Harjit Singh. Founder of EB5 USA SERVICES and Xurge Capital Partners, New York, USA said that EB-5 investment provides the opportunity for a Green Card at a investment of \$500,000 in a targeted employment area, or \$1 million outside a targeted employment area. It should also create 10 jobs for US workers through investment. EB5 USA services facilitates access to eligible, high-quality EB-5 investments for individuals and families seeking to emigrate and capitalize on an opportunity for prosperity and success unique to the United States. The program was organised by FTAPCCI, Indo American Chamber of Commerce with the support of Tempus Law Associates on 4th July, 2018 at FTAPCCI, Hyderabad.

EB5 USA Services facilitates EB5 through right process and ethical means with sharing all relevant information upfront. It also helps in finding the right project to meet the criteria and then professionally educate on the EB5 program.

A Green Card confers permanent resident status allowing to live, work and own property anywhere in the US and provides the opportunity for children to attend public schools and attend university as a domestic resident (at generally less expensive than international student rates). The EB5 Program was created in 1990 by the USCIS with the dual goals of creating jobs for US workers and fostering economic growth through foreign investment into the US.

Earlier, welcoming the delegates, **Sri Gowra Srinivas, President, FTAPCCI** said that US-India has a good relationship historically and compliments each other in several areas especially with Indian talent adding value to US firms. The United States, the world's largest economy, and India, one of the world's fastest growing economies, are committed to working together to stimulate a global economic revival, to strengthen global economic and financial institutions and to promote global food security.
